

FOLLOW-UP Practice Reflection Tool
(to be completed as a group several months after the PBSG session)

Name of Module:

Facilitator's Name:

Session Date:

day/ month/ year

Please fill in all of the practice change options that we discussed:

A. We made the following planned change(s) in our practice:

What strategies were helpful in making these changes?

B. We were unable to make the following planned changes:

What were the barrier(s) that prevented us from making these changes?

C. We made the following practice change(s) that we did not anticipate initially:

D. In light of our discussion, we now plan to make the following changes to our practice:

Please keep this sheet. Immediately after your Follow-Up session, either (1) fax to (905) 540-4988 or (2) complete the online version at <https://members.fmpe.org>.

The information from this Follow-Up Practice Reflection Tool will be handled in a confidential manner and used only in summarized form for research purposes and to improve the Practice Based Learning Programs. For more details on the privacy policy, please visit: www.fmpe.org
