Title of Scholarly Project:

Please provide a brief description of the project (Maximum 350 words).

For example:

- Background/purpose
- Description of the project
- Summary of results
- Conclusions and take-home message

If the project is in a format that can be sent electronically, please also attach the PowerPoint, Word document, Picture of a poster, etc.

Briefly describe how your project contributes to scholarship around Small Group Learning in residency (Maximum 200 words).

For example:

- Embedding evidence based educational principles
- Promoting peer small groups for life-long learning
- Encouraging reflection on learning

Judging Criteria

Projects will be judged based on originality, innovation, and contribution to scholarship around Small Group Learning, and on the approach to the assessment of the project goals.
